<div class="about">
  <div class="category">About FreshMart</div>
  <p class="info">We're on a mission to make fresh, organic produce accessible to
everyone. Founded in<br> 2020,
    FreshMart connects local farms directly with your kitchen, ensuring the
highest<br> quality and freshness in
    every delivery.</p>
</div>
<div class="about-row">
  <div class="about-text">
    <div class="category1">Our Story</div><br>
    <p class="info1">FreshMart was born from a simple belief: everyone deserves
access to fresh, healthy,
      and<br> sustainably grown food. Our founder, Sarah Mitchell, was a third-
generation organic farmer<br>
      who saw the disconnect between farms and consumers.<br><br>
      After years of selling at farmers markets, Sarah realized that many people
wanted fresh,<br> organic

```

produce but couldn't always make it to the markest. That's when the idea for
 FreshMart was born -

bringing the farmer's market directly to your doorstep.

Today, we work with over 50 local farms across the region, supporting sustainable agriculture
 while

providing our customers with the freshest produce possible. Every vegetable and fruit
 we deliver is

picked at peak ripness and delivered within 24 hours.</p>

OUTPUT:**Conclusion:**

Creating a 10-page website using only HTML helped me understand the basic structure of web pages and how to organize and link content effectively. It provided a strong foundation for building more advanced websites using CSS and JavaScript in the future.
